POST EVENT REPORT

Overview...

Cisco NetAcad Club GGITS is a Students' Technical Club under the Gyan Ganga Group and the Department of Computer Science and Information Technology. GGITS is a Cisco Networking Academy and so is the relevance of this club. Various technical as well as non-technical activities are been conducted by the club. Also, periodic workshops and seminars based on trending technologies are conducted. Club teams also participate in Hackathons and various other competitions.

The event "Shaping Your B.Tech & Spandan", which comprised of two educational & motivational sessions for two different student groups, was hosted by the Department of Computer Science and Information Technology and was organized by the Cisco NetAcad Club GGITS. The guest speaker for the event was Mr. Aman Dhattarwal who is a popular personality among the Indian youth. Dated 22nd February 2020, the 1st seminar for high school students was attended by around 100 students and the 2nd seminar for college students was attended by around 500 students. Also, we observed the gracious presence of Honorable Directors of the Gyan Ganga Group, Respected Principals of GGITS and GGCT and Respected Head of Departments. Completely organized and managed by the students of first year, the event was a grand success and the seminars proved to be very beneficial and helpful for the students.

Speaker Highlights...

Aman Dhattarwal is the founder of Apni Kaksha, which is an online platform for learning Computer Sciences and Programming. He is the coordinator for Jaipur Foot USA and a Star Educator for IIT-JEE at Unacademy. He is a B.Tech. graduate from NSUT Delhi in Information Technology and an alumni of Delhi Public School R.K. Puram. He is an immensely popular educator, a youth icon and a career counselor, very famous and known personality among JEE aspirants, high-school and college students. He has been a guest speaker for multiple Universities and Colleges such as IIT-Ropar, Thapar University, Delhi Technical University, Amity University Noida, IGDTUW and now Gyan Ganga Institute of Technology and Sciences Jabalpur. He owns and runs three YouTube channels, having a large number of subscribers and viewership from last 5 years :

1. Aman Dhattarwal – 2.5 Million subscribers
2. Apni Kaksha – 6.5 Lakh subscribers
3. Apna College – 2.5 Lakh Subscribers

He also has 170k followers on Instagram, 32K followers on Twitter and 48K followers on Facebook. Aman Dhattarwal is an Influencer, Motivational Speaker, Counselor and #1 Educator in IIT-JEE having 185K followers on India's largest online learning platform- Unacademy. He is a rising philanthropist in the field of Online Education in India.

1st Session : SPANDAN

For High-School Students

Date – 22nd February 2020 Saturday

Venue – A010 Seminar Hall GGITS

Attendees – 100+ High-school Students

Duration – 1 hour

This was Aman Dhattarwal's first ever seminar across India which particularly focussed on high-school students for IIT-JEE & 12th Boards preparation.

This session focussed on the students of Class 11th and 12th from PCM stream. The seminar was an interactive and comprehensive session on awareness, information, guidance and motivation for Engineering and Medical entrance exams like IIT-JEE and NEET, Class 12th Board exams preparation, How to prepare for your dream job, Career Counselling along with vital discussions on various broader dimensions other than academics. The students actively took part in the seminar and interacted with the speaker. Students from various schools and coaching institutes across the city joined the session. The mode of event promotion by the organizing team was through social media, flyers and by visiting these institutions and interacting with the students. We got total 125 registrations for the event.

Complete photographs of the event and full video of the seminar can be viewed through this link :

2nd Session :

SHAPING YOUR B.TECH

For College Students

Date – 22nd February 2020 Saturday

Venue – Spandan Hall GGITS

Attendees – 500+ Undergrads

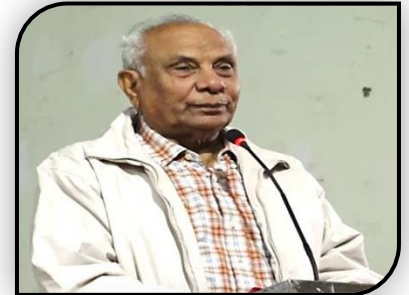

Duration – 1.5 hours

Complete photos of the event and full video of the seminar can be viewed through this link : teamindigoggits.blogspot.com

This session focussed on the B.Tech undergrads of GGITS and GGCT. The excitement and enthusiasm among the audience for the speaker Mr. Aman Dhattarwal was huge. More than 500 students gathered for the seminar to watch the YouTube star live in their campus. The core agendas of the session were – How to shape your B.tech into a very productive and result oriented course, Preparation for placements, How to prepare and apply for off-campus drive and Vital information and guidance about the Tech and IT world especially for 1st and 2nd year students. The audience showed full enthusiasm and cheerfulness during the seminar. Also, the speaker highlighted topics such as Start-up sector, upcoming technologies etc. The session was an interactive one. Some students stood up and expressed their start-up ideas. Also, students were called upon the stage by the speaker to express their special skills. Students really enjoyed the session and gained a lot of knowledge from it. The session was also joined by Honourable Group Directors and Respected Principals. The dignitaries awarded the speaker a token of remembrance towards the end of the seminar. Organising team also gave several gifts to the speaker. At last, the students were very much excited to take photos with Mr. Aman Dhattarwal and the love in the students for the speaker was commendable. The mode of event promotion and marketing was through Social Media, Billboards and flyers and by visiting classes in the college campus. We got more than 1000 registrations for the event.

Event Highlights...

Group Director Dr. Manish Choubey addressed the students in the seminar. His words very well reflect the knowledge and experience he attains. Also, he was excited to hear from the young speaker. He motivated all the students to have a learning attitude. As always, his speech filled the students with enthusiasm. We were blessed by his gracious presence and words of wisdom in the event.

Mr. Aman Dhattarwal, in the college seminar, emphasised more on topics such as startups, MSMEs sector, entrepreneurship and related sectors. This brought more interest among the students and they openly interacted, putting up their startup ideas. Also, he discussed about the trending gaming industry and e-sports sector through which, hundreds of youngsters are earning by pursuing their passion. He encouraged the students to venture into such sectors.

Fandom – Towards the end of both the seminars, students in huge numbers took photos with the YouTube star. In the college seminar, on given opportunity by the speaker, some students stood up and shared their experience in learning Computer Science and IT. Also, at the end, on the request of the audience, the speaker did a rap which was written by himself and this was the catchy moment in the event.

Dr. Ritu Ahluwalia greatly contributed in this event. Through her guidance and monitoring, the event proceeded smoothly and correctly. She gave the closing speech in the event. Her proficiency in event management and anchoring is commendable. The students in her guidance get to learn a lot of things from her. Her efforts were also praised by the guest speaker after the event.

Vote of thanks...

By the help and support from the Management and the Staff of GGITS, we were able to successfully conduct this event. We hence greatly acknowledge the Management team and the staff of Gyan Ganga Group of Institutions.
